

NEW MEXICO NUGGETS.

And Good Work it is.
Phoenix (A. T.) Gazette
Edmund G. Ross has been confirmed by the senate as governor of New Mexico. A strong personal and political fight was made against him but all to no effect. Thus the good work goes on.

It Always Wins.
[The Journal]
The Socorro Bulletin pays this city the following handsome compliment:

The citizens of Albuquerque have built a beautiful, thriving city, by the unity of its people, with no outside advantages to back it, except that their whole mind and finances are as one individual, given freely towards building, widening and straightening, beautifying and maintaining its prosperity.

Encourage Him.
New Mexican.

Quiana Parker, the New Mexican half breed Comanche chief, is at the Mesquero Apache agency endeavoring to induce the Mescalero and Jicarillas to remove to the Indian territory; these Indians do not look upon the project with any degree of favor; on the contrary, they are at present very much opposed to it. The Apaches are greatly wrought up and agitated at the death of their chief, San Juan, and there is no telling what may happen.

Business Changes.
The Bradstreet agency gives the following business changes for the past week in New Mexico.

Kingston—Vincent Wallace & Co., the Percha Bank, sold out to J. Ryndolls, et al.

Lake Valley—Lay & Brantly, saloon, Brantly deceased; firm closed by creditors.

Las Cruces—P. Leahy, shoemaker, recently commenced.

Las Vegas—Albert & Herbert, saloon, dissolved. R. G. McDonald, liquors, just commenced.

Monero—G. W. Kutz, general store, sold out to Moser & Sanders.

San Marcial—Pat Carmody, general store, sold out to Henry Drifoy, Jack Lyall, saloon, discontinued.

Watrous—Jager & Berg, general store dissolved, Jos. Berg continues. Thos. Walton, saloon, sold out to E. Weeks.

The Facts.
[Albuquerque Journal.]

Many people in New Mexico, appear to be laboring under the impression that the St. Louis & San Francisco railroad company, and the Atlantic & Pacific company are one and the same, and therefore because the St. Louis & San Francisco company are building southwest into Texas, the Atlantic & Pacific eastern division (between here and Vinita) is to be abandoned.

The St. Louis & San Francisco is a corporation operating between St. Louis and the west line of the State of Missouri at Terrian. The Atlantic & Pacific begins at Severn of the state line of Missouri, and is no more a part of the St. Louis & San Francisco than it is of any other railroad that it comes in connection with. Therefore, whether it goes north or south, matters nothing to the Atlantic & Pacific, and signifies nothing. The building of the eastern division of the Atlantic & Pacific, between Albuquerque and the Indian territory, is a foregone conclusion.

The Taos Gold Mines.
New Mexican.

The most encouraging reports are coming in from the Taos county gold mines. The snow is rapidly disappearing from the mountain gulches and active operations will soon be commenced. Several very rich specimens were recently brought into Taos from the Frazer mines in the Hondo district. This property will soon be developed and worked by Washington capitalists. The Waterbury company will soon commence the erection of a fifty ton smelter in the Red River district. Jake Arroutz, a Taos county miner, reports that many miners from the territory and from Colorado are flocking into that county, and he predicts a busy season for miners. Martin Bailey has made a rich strike in his mine in the Copper Hill district near Embudo of ore carrying 200 ounces in silver. There is an abundance of ore in sight and arrangements are being perfected by eastern capitalists to work the mine for all it is worth.

Max.
Silver City Enterprise.

We republish the following extract from the Army and Navy Register of April 17 with sincere regrets. In fact is only a strong sense of duty, induced by recollection of the reward which came to the hero is the Pirates of Penzance, that influences us reluctantly to allow the article to appear in our columns. The fact that Max, our own Max Frost, should have been the chum of scoundrels years ago is almost too much for us. But here it is.

"At the close of a sermon recently delivered by Chaplain Merrill, of Fort Clark, a handsome compliment was paid to the members of company K, 19th infantry, which has just left the post, for their good attendance upon Sunday services. He stated that their average attendance was about 30 and they were always courteous and gentlemanly in their manner, an example set them by their company commander, Captain Geo. F. Towle. It is indeed gratifying to note that the moral tone of that company has been raised to a better standard. Years ago it was known as the 'hardest' company in the regiment. That was, however, at a time when such a man as Howard Stansbury was in command, now out of service by dismissal. He had as first sergeant a man by the name of Ufalusy, whose only fit place is in the penitentiary. His chum was Max Frost, who is now implicated in some of the New Mexico land steins. Captain Towle is a good officer and a high-minded and honorable gentleman. He will have no other but good men in his company."

Las Cruces, N. M., May 3.—A very important contest case is now on trial before Register Shields, of the land office, at this place. The litigation involves the title to land upon which the town of Deming now stands. William Bond made a desert land filing during his life time, which his heirs claim embraces the land upon which the town is situated. Some citizens claim the land as a town site, and the Atchison, Topeka & Santa Fe railroad company claim part of the land in controversy for station grounds and right of way, and have laid scrip upon the balance of it. The railroad company claims that Bond failed to re-claim the land as required by law; that the town site is claimed by private parties for speculative purposes, and that the company is entitled to have a patent to their scrip entries.

Las Cruces, N. M., May 3.—Dr. Shields, of James Springs, Rev. Peres, of Bernalillo, and Elder Francisco Salazar, of this place, appointed by the last meeting of the Presbytery of Santa Fe, have been here for two days for the purpose of dividing the Presbyterian church. They organized a Spanish Presbyterian church and installed Rev. M. Mathieson, pastor. They also recommended that the Board of Home Missions send an American minister to take charge of the American church here, Rev. Mathieson to serve until a new minister arrives.
